

這個就是我房間的門  
This is the door of my room

它沒有什麼特色  
There's nothing special

就是全白的一扇門  
It's just an all-white door

電燈開關  
light switch

這是我在Amazon上面買的燈  
This is a light I bought on Amazon

用來裝飾的  
for decoration

其實如果你看它的實體  
Actually, if you look at it in person,

它是藍色的  
It's blue

但是我不知道為什麼在鏡頭前面  
but I don't know why on camera

它就變成紫色的了  
it's purple

這個是我的床  
This is my bed

其實一開始我不是買這個棉被  
Actually, this comforter wasn't the first one I bought

雖然我一開始就看到這個棉被就很喜歡  
Although I liked it from the beginning when I saw it,

但是那時候怕這個棉被太大了  
I was afraid that it was too big

所以我就選了一個比較小的  
so I chose a smaller one

咖啡色的棉被吧  
A brown comforter

然後我就覺得顏色整個很不搭  
then I felt like the colors didn't match well together

所以我後來就把那個棉被拿去退貨  
So I returned that one

然後換成這個  
and replaced it with this one

這兩個枕頭是買這個棉被的時候附的  
These two pillows came together with the comforter

這個枕頭套也是  
and so was this pillowcase

我這裡面的枕頭是我自己買的  
But I bought the pillow inside

再來看一下書桌  
and then let's look at the desk

我住進來的時候它就附的桌子  
It came with the house

這個台燈還滿便宜的  
This lamp is quite cheap

好像是在Target...  
I think I bought it from Target...

對，在Target買的  
Yeah, it's from Target

這個應該也是在Target買的  
I think I also got this from Target

它是假花  
They're fake flowers

我覺得這個盆栽很有藝術感  
I think this potted plant is very artistic

我很喜歡  
I love it

這個呢，是我在IU社團博覽會拿的  
I picked this one up at the IU club fair (IU: Indiana University)

我在裡面放了一些種子  
I've put some seeds in it

但是它一直沒有長出來  
but it never grows

我已經快要放棄它了 lol  
I'm just about ready to give up lol

就把它放在這邊裝飾吧

I'll just put it here for decoration

然後這個鬧鐘  
And this alarm clock

如果大家看了我第一個vlog  
If you've seen my first vlog

應該覺得很熟悉吧  
It might look familiar to you

他就是我第一個vlog出現的第一個畫面  
It shows up at the beginning of my first vlog

我把它從台灣帶過來了  
I brought it over from Taiwan

然後這個是麥克風  
and this is a microphone

也是我從台灣帶來的  
I brought from Taiwan as well

這邊有一些書  
and here are some books

這個是老子  
and this is Lao Tzu

裡面是英文  
It's in English

這一本是孔子語錄  
This one is The Analects of Confucius

也是英文  
It's also in English

這兩本都是我在之前一個學校的活動上拿到的  
I got both of them at a previous school event

這是很喜歡的一本筆記本  
This is a notebook which I like a lot

在美國買的  
I bought it in the States

我覺得它好漂亮  
I think it's beautiful

我很喜歡這種鑲金的邊  
I love the golden edge

但這種筆記本在台灣我比較少看到

but I rarely see this type of book in Taiwan

然後，這些就是我從台灣帶來的一些筆記本和資料

And these are some notebooks and study materials I brought from Taiwan

然後，這是我常用的香水

And then, these are the perfumes I often wear

這個也是我在美國才買的保溫瓶

and this is a thermos that I bought in the States

這個是一個桌上鏡

This is a desk mirror

因為我都是在書桌上化妝

because I do makeup at my desk

所以我還滿需要這樣子的一個桌上鏡

so I kind of need a desk mirror like this

這個裡面就是一些雜物

There are just some miscellaneous things inside

一些書啊、眼鏡、我的 airpods

Some books, my glasses, my airpods

還有筆記本、便條紙、鉛筆盒

notebook, post-it notes , and pencil case

大概就這樣

that's about it

然後旁邊這個抽屜裡面滿亂的

And then the drawer next to it is pretty messy

這些是我平常比較常用到的東西

These are the things I often use

像是棉花棒

like Q-tips

然後出門前會擦防曬

and sunscreen that I wear before going out

耳環

earrings

然後就是一些我從台灣帶來，之後要送學生的小禮物

And then here are some little gifts that I brought from Taiwan for my students

這邊是兩個箱子

Here are two boxes

是我後來自己買的

I bought it after moving here

因為它沒有抽屜  
because there aren't any drawers here

我覺得東西直接放的話很醜  
I thought it didn't look good to just put things in there

所以我就買了兩個箱子  
so I bought two boxes

這個箱子裡面就是放一些線材  
It's just some cables in this box

一些相機的配件在這裡面  
and some camera accessories

最下面的這邊呢  
On the bottom side

這兩個盒子其實是上面這個的蓋子  
these two boxes are actually lids for them

就它其實原本可以蓋起來  
So they could be covered up

但是蓋起來就非常不方便用嘛  
but it's very inconvenient for me to use

然後我剛好下面又缺兩個盒子  
Also I happened to need two boxes here

我就把它們放到最下面這一層  
so I put them on the bottom layer

這個裡面呢放的是我從台灣帶來的一些藥  
Here are some meds I brought from Taiwan

然後這邊是一些美甲的用品  
and here are some manicure supplies

去光水  
Nail polish remover

就是卸指甲油用的  
what you use to remove nail polish

然後就一些雜物吧  
And then here's just some random stuff

也是就都放在這邊  
I just put them over here

跟大家介紹一下我的椅子  
This is my chair

他非常非常地難坐  
It's extremely uncomfortable to sit on

就是如果我沒有多買這個墊子  
If I didn't buy this cushion

它其實是斜的  
this chair would not be even

就是你的屁股這邊呢，是會往下滑的  
When you sit on it, you'll slide back

而且整個坐起來太低了  
And it is too low

如果我這樣坐的話  
If I sit without the cushion

大概坐個三、四個小時  
after about three or four hours

我的腰就超級痠痛的  
I will have a backache

所以我就後來在Amazon上面買了一個墊子  
So I decided to buy a cushion on Amazon

就解決了這個問題！  
and problem solved!

它讓這個椅子比較高一點  
It makes this chair taller

而且坐起來也比較舒服  
and more comfortable to sit on

這就是我的衣櫥  
This is my closet

最左邊這邊是一些外套  
There are some coats on the left side

然後因為最近天氣變冷了  
And because the weather is getting colder now

所以就也掛了比較多長袖在這邊  
so I've hung up more long-sleeved shirts here

然後裡面就是一些短袖和褲子  
And here are some short-sleeved shirts and pants inside

我這裡面掛了一些包包  
I've got some handbags hanging in here

然後這個是我來美國搭飛機的時候用的頸枕  
and this is the neck pillow I used on the flight here

裡面就是我的行李箱  
Inside are my suitcases

還有我的羽球鞋  
and my badminton shoes

我最最最喜歡這個衣櫥的部分就是這一面大鏡子  
My favorite part of the closet is this big mirror

我真的好喜歡這面鏡子  
I really like this mirror

喜歡到我覺得我回台灣之後想要買一個有這種大鏡子的衣櫥  
so much so that I want to buy a closet with this big mirror when I'm back in Taiwan

這邊呢，就是我的衣櫃  
and here is my dresser

有四個空間可以給我收納  
I've got four spaces in my dresser for me to put stuff in

嗯，這邊就是放一些衣服  
um, just some clothes over here.

我的運動衣，還有冬天的發熱衣  
My sports shirts and thermal tops

還有一些褲子  
and some pants

這下面就是一些...  
Here's some...

也是一些雜物  
also some random things

因為我現在其實衣服還沒有這麼多  
because I don't have that many clothes yet

所以這一格還沒有用到  
I haven't used this drawer

我就把它拿來放一些平常比較沒有用到的東西  
So I put it in some things that I don't use often

這個是拍影片的時候可以用的補光燈  
These are film lights

不過我還沒有用過它  
but I haven't used them yet

所以不知道它的效果怎麼樣  
so I don't know how well it works

然後衣櫃上面就是一些小擺飾  
And there are some decorations on top of the dresser

這個是我在Goodwill買的  
I bought this at Goodwill

我覺得滿可愛的  
I think it's pretty cute

仙人掌  
Cactus

這個是我室友幫我撿回來的  
My roommate picked this up for me

上面這個也是在Goodwill買的  
I also bought this one at Goodwill

後面是擴香瓶  
It's a reed diffuser in the back

其實我不是應該會特別去買擴香瓶來用的人  
I don't usually buy reed diffusers

但是因為我剛搬進這個房間的時候  
but because when I first moved into this room

我覺得有一股很奇怪的味道  
I felt like there was a kind of weird smell

所以我後來就還是去買了擴香瓶  
so eventually I went to buy this reed diffuser

現在就解決了這個問題了  
and now the problem is solved

我很喜歡現在房間的味道  
I love the smell of the room now

來給大家介紹一下我很喜歡的擺飾  
Here is a decoration that I really like

這個！  
This!

因為他是grace的開頭字母  
because it's the first letter of "Grace",

所以我就覺得是很有意思的擺飾  
I thought it was very meaningful

所以就買下來了  
so I bought it

然後這個又是一株假的植物  
And then this is another fake plant

因為我真的很不會照顧植物  
because I'm really bad at taking care of plants

因為我常常可能會忙到忘記澆水  
I often forget to water plants when I'm busy

所以我就想說，好吧...還是買假的好了  
so I thought, well... I'll just buy a fake one

以上就是我的room tour  
That's all for my room tour

我的房間雖然沒有很大  
Even though my room isn't very big,

但是我真的很喜歡它的格局  
I really like the layout

尤其是我的書桌前面有一扇窗戶  
Especially since I have a window in front of my desk

對於要拍影片的我來說  
which is really convenient for

這真的是非常的方便  
shooting videos

因為如果是早上拍攝的話  
If I film videos in the morning,

我就不需要特別地補光  
I don't need to set up any lighting

而且我真的非常喜歡自然光拍出來的感覺  
and also I really like filming with natural light

總而言之呢  
Anyway

我對這個房間很滿意  
I'm really happy with the room

而且這邊租金其實很便宜  
And the rent is actually pretty cheap

我覺得整體來說cp值滿高的  
I think overall it's pretty worth it

但是有些小問題  
There are just some minor issues

像是在廚房還有浴室就比較多問題  
in the kitchen and bathroom

有一些東西故障啊  
Like, some things aren't working

還有水龍頭漏水等等  
and a faucet is leaking, etc.

是需要特別去處理一下的  
We need to take care of them

但是他們這邊可以報修  
but here there's a system where I can report issues

會有工作人員來處理  
and a staff member will come and fix things

所以到目前為止住起來覺得滿滿意的  
So I've been pretty satisfied so far

沒有什麼太大的問題  
There aren't very big issues

好啦，那希望你們喜歡今天的影片  
Ok, I hope you enjoyed today's video

我們下次見囉！拜拜！  
See you next time! Bye!
